

## HELEN GORDON CHILD DEVELOPMENT CENTER

Portland, Oregon

A 3 story 15,000 s.f. addition to an existing 3 story building on the Portland State University Campus. Program included classrooms, art room, teacher's conference rooms, general university classroom, and community areas. The project also conformed to the State of Oregon SEED requirements. Some of the sustainable items included a bio-swale, motion detector light switches, heat pumps zoned heating and cooling, and copious natural light. Bruce Sternberg was supervising architect, acting as owner's representative/project manager for PSU facilities department.
